

Are you an **Aboriginal** person living in the **Northern & Yorke** region?

Are you interested in **natural resource management (NRM)** in your Country?

Do you have ideas about how your NRM Board could support you to be **involved** in NRM?

If you answered yes, yes and **YES**, we would like to hear what you have to say.

Rural Solutions SA will be helping the Northern and Yorke NRM Board plan how to engage Aboriginal people in NRM within the Northern and Yorke region. We would like this plan to be based on your ideas. We will be running a series of meetings (including barbecue lunches) in each of the Aboriginal nations across Northern and Yorke including Adnyamathana, Nukunu, Bangala, Narungga, Nadjeri and Kaurna in the months of June and July 2008.
